GROUND HOG DAY

Thursday, Feb 2, 2012

Feb. 20th, 2012

Family Day!!!

Enjoy the day with family; Let them know they are important!

Feb. 9th, 2012

National Sweater Day!!

Turn down the heat. Turn up your sweater! Sweater Day is back! On February 9, we want Canadians to put on a sweater and lower their thermostats, to take action

on climate change. Show your support by wearing the brightest one you own.

Sea glass safety
For the safety of our families, pets, tourists, and community in general we ask that folks do not place broken

pieces of glass/ceramic on the beach waiting for the tides to roll it in the sand: thus making sea glass. There have been some very dangerous broken glass items left on the beach which were brought to our attention

We are very proud of our beaches and we do not want to get the reputation of having unsafe beaches.
